23rd International Conference on Renewable Mobility

TIME TO TURBOCHARGE, REVVING UP FOR RENEWABLES

19. – 20. JANUARY 2026 | Berlin | www.fuels-of-the-future.com

BECOME A PARTNER IN THE MOBILITY TRANSITION—THERE'S HUGE DEMAND FOR YOUR KNOW-HOW!

The future of mobility is at a decisive turning point – and you can play a part in it! The 23rd International Conference “Fuels of the Future 2026” on January 19th-20th, 2026 in CityCube Berlin offers you a unique opportunity to contribute your expertise in a trailblazing context.

Guided by the conference slogan “TIME TO TURBOCHARGE, REVVING UP FOR RENEWABLES”, you can experience a platform where leading thinkers from the worlds of politics, business, and science will present and discuss innovative concepts and technologies for sustainable mobility and renewable fuels.

Take the opportunity to present your ideas and solutions to an international audience of experts and play an active role in shaping the mobility transition as a conference partner. Become part of a network of industry leaders and decision-makers, while establishing valuable contacts for future collaborations.

Register now and become part of this forward-looking event – help shape the mobility of tomorrow!

We are expecting over 700 participants from the following sectors at the 2026 conference:

Biofuels	Shipping	Municipalities
Renewable fuels	Aviation industry	Politics
Green hydrogen	Heavy haulage/freight transport	Government / civil servants
E-fuels	Chemical industry	Embassies and consulates
Energy industry	Mineral oil industry	Associations
Recycling/waste industry	Agriculture / agricultural engineering	Science
Automotive	Trade	Certification companies
E-mobility	Consulting companies	Press

2
day programme

700
participants from over
30 nations

70
speakers

trade exhibition &
evening event

Why you should join us at the conference:

- » Exclusive access to relevant industry contacts in the renewable mobility sector
- » Increased brand awareness thanks to attending the conference in person: win new orders
- » Targeted positioning of your content on our high-reach channels, during and after the event

ADDITIONAL SPONSORSHIP OPPORTUNITIES

We offer you a wide range of opportunities to target your outreach and increase your visibility at the conference, irrespective of whether you book an exhibitor stand. Boost your presence where a professional public is looking to the future. The options can be booked individually or by Diamond, Gold, and Silver Partners as add-ons to the options offered for partners.

Bioenergy Evening Reception—Your Brand in the Spotlight

Position yourself as an exclusive partner of the evening reception – the conference's networking highlight. Thanks to co-branding in the programme booklet and your brief welcoming address, your brand will be visible where decision-makers enter into dialogue. **Your stage to create strong connections and lasting impressions. Investment € 4,000**

Conference Mug with Logo (Co-branding)—Your Brand on Decision-makers' Desks

Add your logo to the official conference mug and enjoy the visibility even after the end of the conference – during every coffee break, conversation, and networking opportunity.

Investment € 3,000

Lunch—Boost Your Visibility as a Host

Sponsor a lunch with your logo printed in the digital programme booklet and host a key conference moment. That gives you a chance to demonstrate your commitment to the future of renewable mobility – precisely where discussions between experts provide new impetus and contacts are consolidated.

Investment € 2,000 per lunch

Coffee Break—Your Brand at the Heart of Discussions

The best conversations start over a cup of coffee. Sponsor a coffee break with your logo printed in the digital programme booklet and ensure your brand appears exactly where experts network and ideas take shape. Your visible presence evokes associations with openness, dynamism – and our shared goal: sustainable mobility.

Investment € 1,500 per coffee break

Young Talents Award Competition—Making the Future Possible, Gaining Visibility

Promoting young talents means investing in ideas, courage, and change. As a sponsor of the Young Talents Award, your logo will be added to the digital programme booklet. You have an opportunity to highlight your sponsorship of the Young Talents Award competition with a brief welcoming speech on stage. A compelling appearance for compelling prospects.

Investment € 1,000

Mobility Platform—Vehicle Presentation Indoors and Outdoors

Make your technology visible: Present your vehicles with renewable drive systems in the foyer or outside CityCube. The mobility stage offers you maximum presence – in full sight of an international industry audience.

Investment € 1,000 per vehicle

All prices excl. VAT.
