ADDITIONAL SPONSORSHIP OPPORTUNITIES:

We offer a range of opportunities to enhance your visibility at the conference – whether or not you book an exhibition stand. Increase your presence where industry experts come together to shape the future. All options can be booked individually or as add-ons to Diamond, Gold, Silver or Start-up partnerships.

Bioenergy Evening Reception – Put Your Brand in the Spotlight

» Position yourself as an exclusive partner of the evening reception – the key networking highlight of the conference. With co-branding in the programme booklet and a short welcome address, your brand will be present where decision-makers connect. A valuable opportunity to create lasting impressions.

Investment 4,000 €

Lunch – Position Yourself as a Host

» Sponsor a conference lunch and gain visibility through logo placement in the digital programme booklet. Be present at a central networking moment and demonstrate your commitment to the future of renewable mobility – where new ideas emerge and connections are built.

Investment 2,000 € per lunch

Coffee Break – Your Brand at the Heart of Networking

» Sponsor a coffee break and ensure your brand is visible where conversations happen. Your logo will be included in the digital programme booklet, placing your company at the centre of informal exchange and idea generation.

Investment 1,500 € per coffee break

Young Talents Award – Supporting Innovation and Visibility

» Support the next generation of talent in renewable mobility. As a sponsor, your logo will be included in the digital programme booklet, and you will have the opportunity to give a short welcome address during the award session.

Investment 1,500 €

Mobility Platform – Showcase Your Technology

» Present your vehicles with renewable drive systems in the foyer or outdoor area of CityCube Berlin. The mobility platform offers high visibility and direct engagement with an international professional audience.

Investment 1,700 € per vehicle

All prices excl. VAT.
